## SRS 2010 Conference

**Advancing Rogers Science of Unitary  
Human Beings through Praxis:  
Theory, Research, & Practice**

October 8 - 10, 2010

**Christine E. Lynn College of Nursing  
Florida Atlantic University  
777 Glades Road  
Boca Raton, FL 33431**

*The Society of Rogerian Scholars announces the 2010 SRS Conference. The Society purposes include advancing nursing as a basic science and fostering understanding and use of the Science of Unitary Human Beings (SUHB) as a basis for theory development, research, education, and practice, as well as to provide educational forums on the SUHB. We invite you to visit the Society's website for membership information, other resources related to the SUHB, and to obtain additional copies of this Conference Brochure at*

<http://www.SocietyofRogerianScholars.org>

### **PROGRAM PURPOSE:**

The program is designed to enhance nurses' knowledge regarding praxis within the context of Rogers' Science of Unitary Human Beings (SUHB). The activity is intended for nurses in all career paths, other health care professionals, and other interested people. Participants' knowledge of the state of the SUHB will be enhanced through theoretical, research, and practice related presentations.

### **OVERALL OBJECTIVES**

- a. Describe conceptual and historical foundations of the SUHB
- b. Discuss expert experiences with praxis
- c. Describe the ontologic basis of praxis
- d. Identify exemplars from theory, research, education, & practice
- e. Discuss implications for the future of the SUHB

No commercial support has been received for this event.

**Program Note:** Break times are built into the agenda but not always evident on this brochure
